# Golden Apple Society

You are invited to become a member of the Golden Apple Society, a group of caring and involved individuals who believe in the future of McDonough District Hospital.

When you become a member of the Golden Apple Society, you are truly lending a helping hand to your neighbors.

## Golden Apple Society

---

The McDonough District Hospital Foundation recognizes the Golden Apple Society as the hospital's most generous benefactors. The compassionate individuals united by this distinction share a profound commitment to MDH and to the patients and families the hospital serves. All gifts received can be designated to any area of the hospital to be used solely for services, equipment, and capital projects.

## McDonough District Hospital Foundation

---

McDonough District Hospital was established in 1955 when residents voted for the construction of a new hospital in Macomb. Ground-breaking ceremonies were held June 30, 1956. Two years later, June 30, 1958, MDH opened its doors. MDH has not taxed the community since 1989, and treats all patients regardless of their ability to pay.

The McDonough District Hospital Foundation was formed in 2014. As a 501 (c) (3) non-profit organization, the Foundation is dedicated to raising funds to support patient care and comfort at MDH.
