

MDH Sexual Assault Services

Take a Stand Against Sexual Assault

McDonough District Hospital provides compassionate and comprehensive care to sexual assault survivors.

MDH has Sexual Assault Nurse Examiners on staff in the Emergency Room who are

- dedicated to providing prompt, compassionate care to survivors while preserving dignity and reducing psychological trauma
- highly skilled in conducting forensic examinations
- specially trained to complete the Sexual Assault Evidence Collection Kit
- qualified to testify as witnesses in criminal trials
- available for outreach, education, and public speaking engagements

The MDH Emergency Room provides the following sexual assault services:

- Medical-forensic examinations
- Emergency contraception
- Sexually Transmitted Infection Prophylaxis
- HIV testing and Post Exposure Prophylaxis for anyone at high risk for transmission of HIV
- Referrals for follow-up care and counseling

For more information, call MDH Emergency Services at (309) 833-4101.
