HEALTHCARE SYSTEM

A McDonough District Hospital Program

You are invited to become a member of the Golden Apple Society — a group of caring and involved individuals who support the future of McDonough District Hospital.

As a member of the society, you will play a vital role in building a strong foundation for our community's healthcare system for years to come.

About the Golden Apple Society

The Golden Apple Society is a group of generous donors who see the value in our mission and want to invest in the future of McDonough District Hospital. The funds raised by the Golden Apple Society support the many needs and initiatives of MDH, directly impacting the care we are able to provide to our community.

As healthcare needs grow, MDH is committed to providing quality care to each patient and their loved ones — we can reach this goal with your support!
