Welcome

Brian Dietz, MHA, FACHE
Interim President/CEO

McDonough District Hospital welcomes Brian Dietz as Interim President/CEO.

Dietz has worked with the search firm B.E. Smith on several occasions as an interim CEO, most recently with INTEGRIS Bass Baptist Health Center in Enid, Oklahoma. Dietz spent four years as the CEO at Saint Francis Healthcare in Wilmington, Delaware. He oversaw a full-service community hospital with net revenues in excess of \$166 million.

No stranger to west-central Illinois, Dietz worked from September 2008 through May 2009 as the interim CEO at Blessing Hospital in Quincy. From April through October 2012 he was a consulting CEO for St. Mary's Hospital (part of the Hospital Sisters Health System) in Streator, Illinois.

Dietz has also served in an interim role in healthcare facilities in: Indiana, Idaho, Oregon, Michigan and Illinois. He has worked as a senior executive healthcare professional for more than 35 years.

He earned his bachelor's degree from Frostburg State University and a MHA degree from George Washington University.

"When the committee narrowed down the list of candidates, Brian impressed everyone in the group. He has an impressive track record as an interim CEO. We will not be sitting idle until a permanent CEO is named, Brian will continue to move our organization forward and strengthening our brand. I know he will do an excellent job for McDonough District Hospital," said MDH Board of Directors Chairman Dr. Rick Iverson.

Dietz, originally from Bethesda, Maryland, is married to Patty. They have six children: Shannon, Josh, Asa, Scarlet, Selah, and Elim. In his spare time, Dietz enjoys spending time with his grandchildren, Civil War history, and hunting.

Thank You Kenny Boyd

For the past seven years, Kenny Boyd served McDonough District Hospital as President and CEO. He said good-bye to MDH on June 23, moving to Tennessee for a Senior Executive level job at a healthcare facility closer to family.

"The past seven years at MDH have been an exciting time in my career. I have been blessed in working with a fantastic Board, Medical Staff and employee team who are truly focused on providing great care to our patients and continuously working to improve our organization. This team has worked to continue to make MDH successful in this time of unprecedented change in our industry as well as the unique challenges we face with the state's economic instability," said Boyd. "None of these issues or challenges has ever taken our team's focus off of what's most important and that is patient care. They have proven this by their recognition as a Top 100 Small and Rural Community Hospital, back-to-back 'A' grades from the Leapfrog Group for patient safety and a Most Wired Recognition for the utilization of Information Technology in patient care. These recognitions just scratch the surface of recognizing the great work they do every day.

"I truly appreciate the opportunity to have worked with such an amazing group of care givers and volunteers and truly believe MDH will continue to be a vibrant organization providing care to the residents of west-central Illinois for many years to come," said Boyd.

Boyd joined MDH in July 2011 as President and Chief Executive Officer. While successfully leading McDonough District Hospital through an unprecedented time of healthcare changes and budgetary challenges, Boyd played an active role in helping shape the current state of healthcare around the state of Illinois and economic development locally.

On a statewide level, Boyd served as a member of the Illinois Health and Hospital Association and the IHA Venture Association Corporation Board. Locally, Boyd was actively involved with the McDonough County YMCA Board, Macomb Area Economic Development Corporation Board, Macomb Noon Rotary, and Chair of the Macomb Area Chamber of Commerce Government Relations Committee.

He and his wife Nakina were active in the community by participating in and attending numerous events for charitable organizations.

"On behalf of the MDH Board of Directors, I want to thank Kenny for his years of service. He did an excellent job leading our hospital through some difficult budgetary times. We appreciate all he did to make MDH a better place to work while serving the patients in our area. We wish Kenny and his family all the best in their future endeavors," said Dr. Rick Iverson, Chairman of the MDH Board of Directors.

Recognition for Outstanding Customer Service

For the month of May, the Service Excellence department at McDonough District Hospital would like to recognize and say thank you to **employees and physicians** for their outstanding customer service to patients.

The Press Ganey, Deyta (Hospice) and Patient Satisfaction surveys call attention to employees who demonstrate excellent customer service, according to Administrative Leader of Quality and Innovation Maggie Dubil. Individuals recognized receive a customer service *Thank You Certificate* and are nominated for the MVP award for their outstanding hard work.

Recognition for outstanding customer service goes to the following professionals:

Cardiopulmonary: **Shawn Evans**, Cardiopulmonary Technician

Emergency Services: **Dr. Brown**; **Alexis Murk**, NP; **Joshua Adaya**, RN

Food and Nutrition Services: **Stephanie Courtois**; **Yagonda Stewart-Hall**; **Stacy Clark**; **Rebecca Morrissey**; **Dalayna Winget**

Home Health: **Megan Carter**, RN; **Kayla Anderson**, RN

Laboratory: **Paul Copeland**, Phlebotomist; **Jean Shelly**, Phlebotomist

McDonough Medical Group: **Dr. Gonzales**; **Dr. Mitchell**; **Dr. Jalil** and staff; **Dr. Sarwar**; **Dr. Smith**; **Brenda Powell-Allen**, WHNP; **Sherrie Ramirez**, Office Assistant; **Kelcyn Hoover**, X-Ray Tech – RT; **Rachelle McCoy**, Clinic RN; **Janelle Friday**, Office Assistant

Radiology: **Shawn Stranger**, MRI Technician

Senior Behavioral Health: **All staff**; **CL Tarantola**, RT; **Sarah Gossage**, RN; **Blain Smith**, Unit Secretary; **Rita O'Donnell**, Social Worker; **Carolyn Cox**, Social Worker

Sports Medicine and Rehabilitation Services: **Roger Reno**, PTA; **Patrick Smith**, PT

Surgical Services: **Dr. Biagini**; **Ashley Kessler**, RN; **Cindy Canevit**, RN

The **MDH Hospice Team** was also recognized in two Deyta surveys with words of recognition and acknowledgement for the compassionate and professional care provided to patients and their families:

"Very professional. Gave me all info regarding her condition. Easy access if I had any questions, thoughts, or concerns. They were there to listen. Loved the Hospice Team!"

"The whole Hospice Team did an excellent job of helping me when I needed it and stepping back when I didn't."

Congratulations to those recognized in this article and thank you for your ongoing commitment to providing an exceptional patient experience!

Caught You Caring^{math}

Service Excellence introduces a new employee recognition program to recognize and thank employees for exceptional performance.

How does it work?

Step 1) “Catch Employee”—Observe an extraordinary customer service effort or act of kindness related to a recognition category. Anyone can acknowledge or thank another employee, volunteer, physician, or leader.

Step 2) Nominate— Document your “catch” electronically via one of the following options:

- Caught You Caring Submission link on Intranet
 - Fillable PDF link on Intranet
 - Microsoft Outlook Email Form

Step 3) Recognition—Service Excellence will monitor nominations and distribute award materials for respective department leaders. Recognitions will be shared via Intranet and Making Rounds.

Step 4) Reward—The 1st time you are recognized you will receive a lapel pin. Each and every time you are “caught caring” you will receive a certificate of recognition and a scratch off prize ticket. All recognitions are eligible for a monthly drawing for a \$25 gift certificate. At the end of the fiscal year, the employee with the most “catches” will receive a plaque award.

APPLE Winner May 2018

Jill Cook

Please join in congratulating **Jill Cook**, Foundation Coordinator, on being named the recipient of the MDH APPLE Award for May 2018. APPLE stands for “Achieving outstanding Performance in Patient care, Leadership, Loyalty and Enthusiasm for MDH”.

Jill graduated from Western Illinois University with a Bachelor of Science degree in Interdisciplinary Studies in May 2015. Jill began in her current role as Foundation Coordinator on December 14, 2015. Jill is a Macomb Centennial Morning Rotary Club member. She is also actively involved with community groups such as the West Prairie FFA Alumni Board and Scholarship Committee, Dickens on the Square Committee, and Macomb Downtown Development Committee.

Jill has established great relationships with volunteers, board members, physicians, employees, and donors. They respect her professionalism and charming personality. She has recruited several new Golden Apple Society members and has done a lot to build and improve donor relations and stewardship. Her dedication and commitment is outstanding. She is a team player who provides a positive demeanor. Jill is very dedicated to MDH and to the Foundation.

Jill's major strengths are her quality, timeliness, and organization. Jill established the Grateful Patient Program and the Healing Hands Award. She coordinates events such as the Big Game Party, Summer Block Membership Drive, the MDH Annual Golf Tournament, Jingle 'n Mingle, and Festival of Trees. She also assisted with the Golden Apple Society Recognition Reception and the Summer Social recruitment event. Jill is an exceptional employee.

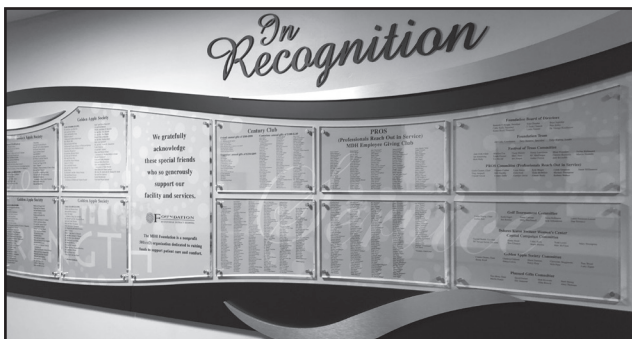

“Jill is a superstar! She is honest, trustworthy, confidential, efficient, dedicated, professional, reliable, responsible, and very organized,” states one nominator. Jill puts the “Wow!” in everything she does. She is always searching for ways to improve and raise funds to benefit MDH patients, visitors, services, employees, physicians, volunteers and the hospital in general.

Jill and her husband, Dylan, have a Labradoodle puppy named Molly. Jill enjoys making crafts and personalized cards, attending craft shows, collecting crocks, working on the farm, and spending time with family and friends.

WALL OF FAME

Recognition boards with a modern design were installed to replace existing boards in the MDH main hallway to honor those memorials reaching \$500 and up and major donors who have supported the hospital financially. The new display will be more cost effective and recognize additional names for years to come!

Dolores Kator Switzer Women's Center

On June 14, a groundbreaking ceremony was held to celebrate the start of the Dolores Kator Switzer Women's Center (DKSWC) at McDonough District Hospital. Exactly 124 community members, donors and employees attended the event! The evening began with a welcome by MDH President/CEO Kenny Boyd. Vicky Kipling, Leader of MDH Foundation, followed with remarks about the DKSWC and history of the initial donation in 2014 made by the late Dick Switzer (passed away on October 19, 2016) in honor of his wife Dolores, who passed away on the same day three years prior. MDH Board of Directors Vice Chairman Dr. Andrew Baker spoke on behalf of the Board, and Macomb Mayor Mike Inman added comments on the project.

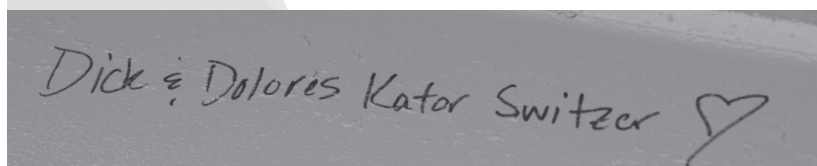

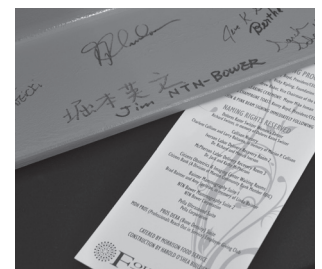

"This project has been a long time in the making. I'd like to thank the providers in our women's health services for the great job they do and the Board of Directors for approving this project, which will give us the facilities that will match the quality of the providers we have delivering outstanding care to the women throughout our region on a daily basis," said Boyd.

Representatives from area businesses and several individuals – all who have made major donations to the project – took part in the first official shovel in the dirt ceremony.

"I'm very privileged to be a part of the Women's Center and to have known Dick and Dolores Switzer very well. I'm so happy to see this project come to fruition in memory of Dolores Kator Switzer," said Kipling. "It will bring a modern new space to the women in our community."

PROJECT UPDATE

Currently, the obstetrics and nursery area is located on the first floor. Work has begun on the second floor to temporarily accommodate the department during the renovation process then move back to the first floor upon completion. The plans will feature seven obstetrics beds in six rooms, three Labor-Delivery-Recovery rooms, and renovations to the OB/Imaging waiting rooms, nursery area and imaging center. The imaging component of the DKSWC expansion includes: diagnostic imaging, new waiting area, and expanding and remodeling the suites for 3-D digital mammography, stereotactic breast biopsy, ultrasound and bone density screenings.

Senior Behavioral Health Unit Introduces Trauma Informed Yoga

CL Tarantola

Recreation Therapist CL Tarantola recently became a PESI Certified Instructor in Trauma Informed Yoga. PESI, or Professional Educational Systems, Inc., is a leader in continuing education seminars, conferences, in-house training, webcasts and products for mental health professionals.

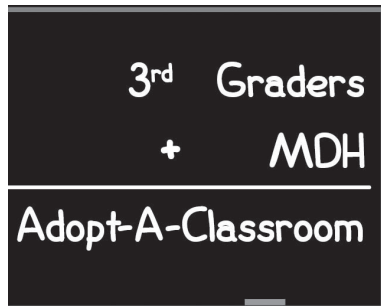

This therapy is now offered to patients on the Senior Behavioral Health Unit on a daily basis. Sessions are chair-based, so patients of all levels and abilities can participate.

Benefits of Trauma Informed Yoga:

- Increased mindfulness
- Heightened awareness of emotions and emotional needs
- Improved blood pressure health
- Opportunity to minimize anxiety
- Create a more positive outlook

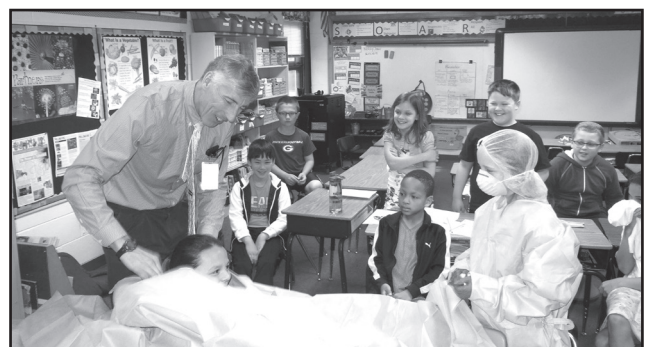

In addition to these benefits, trained instructors are able to observe and evaluate the patients throughout the sessions.

Each month during the school year McDonough District Hospital participates in the Adopt-A-Classroom program. This year MDH has adopted Mrs. Linda Poore's 3rd grade students at Lincoln School. A representative from MDH visits the classroom to educate students about various departments at the hospital.

Orthopedic Surgeon

Dr. Drake White visited our Adopt A Classroom students in May. He shared with students details about the job of an orthopedic surgeon and brought along a skeleton to demonstrate the different bones that make up the human body. Dr. White also brought surgical scrubs and props so students could see what surgeons and their staff are required to wear and the preparation required. The students thoroughly enjoyed the lesson from Dr. White and dressing up in the surgical gear. The class received MDH basketballs to commemorate the visit.
